

## PopSockets Grip

Item #55616

A PopSockets Grip sticks flat to the back of your phone, tablet or case with its reusable, repositionable gel. Once extended, the PopSockets Grip becomes a media stand for any device, a photo or texting grip, or lower it for a video chat. The back a phone is prime real estate for any promotion, and the best part is that PopSockets Grips can be used on any brand of phone. Multiple imprinting options available, please call for setup and run charges as well as availability.
